Acknowledgement of Privacy Practices

According to the Health Insurance Portability and Accountability Act of 1996 (HIPAA,) patients have certain rights to privacy regarding their protected health information. Your protected health information will be used to:

- Conduct, plan, and direct treatment by the physicians employed by Premier Specialty Physicians and will be shared in cooperation with healthcare providers who are involved in your care directly or indirectly.
- To obtain payment from third party payers.
- To conduct normal healthcare operations such as quality assessments and physician certifications.

By signing below, you agree that you have either received or waived your right to receive the Notice of Privacy Practices, containing a complete description of the uses and disclosures of protected health information. You understand that this organization has the right to change its Notice of Privacy Practices at any time. You also understand that you may request from this organization a current copy of the Notice of Privacy practices.

I understand that I may revoke this consent in writing at any time, except to the extent that Premier Specialty Physicians has previously released relying on this consent.
